Alternative CEU Training Course Assignment

Excellent choice for Acupuncture or non-conventional or non-invasive medicine.

You have the choice of two assignments to receive your CEU credit. The conventional assignment can be found on the next page. The following instructions are for the alternative assignment.

You can submit a comprehensive meridian study or graph. Chinese students are encouraged to utilize the alternative assignment.

We would prefer that you submit your study or graph project in an electronic form which may be utilized as a reference in a future class.

You may also submit photojournalism as your assignment. We require the photographs to be in a digital format so that we may utilize the information in a future class.

You can submit the information to our e-mail address; info@tlch2o.com. Please include your registration page and payment.

Easy for an Acupuncturist to complete this section.

You will not need to complete the conventional or English assignment if you do the alternative assignment.

Conventional Acupuncture Meridian CEU Training Course Assignment

You will have 90 days to finish this course and submit the Answer Key and Registration Form to TLC. You can find the Answer Key in the rear of this section. Please e-mail or fax your Answer Key and Registration Form to TLC, Fax (928) 272-0747. You can find the Assignment on the Assignment Page on TLC's website and complete course assistance under the Assistance Page.

Multiple Choice Exam. Please select only one answer.

You are given a medical problem that needs to be solved by choosing the correct acupuncture point. This project will get progressively difficult as you work towards the finish.
